New Vacation Program Delivers 7 Nights Each Year for the Price of One!

09.26.05, 5:01 AM ET

IRVINE, Calif., Sept. 26 /PRNewswire/ -- You can enjoy seven nights every year, in any of 3,700 premium resorts in the U.S. and more than 100 countries, for what one single vacation will cost.

Since Ampro Vacations Inc. annual timeshare fees are only about the cost of one night, and you get seven nights every year, all your future accommodation costs are locked at "Get 7 nights for price of one" for life. No blackout dates. See www.AmproVacations.com

"Forget old misconceptions" says Rami Lazarescu, president. "It's not what you own, but the vacations you get!"

With no presentations to attend, there's no pressure. You save thousands of dollars normally used for the expensive "free" gifts, ultimately paid by the customer, Lazarescu says.

"Vacations are not a commodity -- it's a service!" Lazarescu says. "Our free personalized service ensures you get your 'dream vacations', including free upgrades at every location."

Since building & maintaining a five star resort in Hawaii, for example, is expensive, Ampro owns inventory in five star resorts in countries that are much less expensive to buy, yet you can enjoy Hawaii or any destination of your choice for a fraction of the price.

"Our luxury unit at the Westin in Los Cabos, Mexico had a Jacuzzi bath and overlooked the pool and beach in both rooms" says client Don Hankus, Lake Forest, CA. "Now I know this program works -- we recouped our initial investment after only one week."

You can luxuriate at Westin, Sheraton, Hilton or Embassy resorts in two bedroom suites including a living room, dining room, fully equipped kitchen, 2-3 TV's, DVD player, stereo system and Jacuzzi bath.

In addition, you will get free social and recreational activities for adults and kids, making memorable vacations for life.

Many corporations use vacations as a motivating incentive, often a deductible expense. Once enrolled, and for only about \$350 a year, they can award seven nights at five star resorts, every year.

Ampro Group is the winner of the 2002 Excellence Award bestowed by The President of U.S. and recipient of a 2005 commendation by The U.S. Secretary of Commerce. It has the BBB highest rating for 11 years.
